LETTER DATED 10 JANUARY 1994 FROM THE CHARGE D'AFFAIRES A.I. OF THE PERMANENT MISSION OF YUGOSLAVIA TO THE UNITED NATIONS ADDRESSED TO THE PRESIDENT OF THE SECURITY COUNCIL

I have the honour to transmit, enclosed herewith, the statement by the Federal Ministry of Foreign Affairs of the Federal Republic of Yugoslavia concerning the incident on the Yugoslav-Albanian border on 3 January 1994.

I should be grateful if you would have this letter and its annex circulated as a document of the Security Council.

Annex

Statement by the Federal Ministry of Foreign Affairs of the Federal Republic of Yugoslavia concerning the incident on the Yugoslav-Albanian border on 3 January 1994

On 3 January 1994, another in a series of incidents occurred on the Yugoslav-Albanian border, once again grossly violating the territorial integrity of the Federal Republic of Yugoslavia. In this incident, an Albanian national was killed in the vicinity of the "Krstac" border post in the Prizren area, because of illegal entry into the territory of the Federal Republic of Yugoslavia. Deploring this tragic event, the Federal Ministry of Foreign Affairs underlines that the exclusive responsibility for the incident is borne by the Albanian Government which, driven by its aspirations towards Greater Albania, continues to provoke tensions on the Yugoslav-Albanian border so as to exacerbate the relations between the two countries and destabilize the situation in the Autonomous Province of Kosovo and Metohija and further in the Balkans.

In connection with this incident, the Albanian Ministry of Foreign Affairs released a statement shifting the responsibility to the Yugoslav side in a well-known manner in order to discredit the Federal Republic of Yugoslavia and the leadership of Serbia before the international community, while admitting that the incident occurred in Yugoslav territory.

The local Mixed Commission for Border Incidents met in accordance with the agreement between the Governments of the two countries on measures of preventing and resolving incidents on the Yugoslav-Albanian border. It was established that the Albanian national killed in this incident was once already captured by the Yugoslav authorities as he attempted to illegally cross the State border and was handed over to the Albanian authorities.

It is obvious from the statement by the Albanian Ministry of Foreign Affairs that the tragic incident is abused for an unprovoked assault on the Federal Republic of Yugoslavia. Contrary to all international norms and standards, the Government of the Republic of Albania continues to make irrelevant its international borders with the Federal Republic of Yugoslavia, which has been its practice with other neighbours with which it has serious border problems. However, the victims of such a policy deliberately pursued by the Albanian Government are primarily its own citizens.

The Federal Ministry of Foreign Affairs wishes to recall that, at the recent session of the main Yugoslav-Albanian Commission for Border Incidents, the Albanian side undertook to control the border more effectively and to prevent any illegal crossing beyond the established border crossings which, in this particular case, it failed to observe and is therefore responsible for the consequences. For the above reasons and in view of the fact that the Yugoslav border authorities acted in compliance with the regulations, the Federal Ministry of Foreign Affairs dismisses the unfounded allegations contained in the statement by the Albanian Ministry of Foreign Affairs.

/...

The Government of the Federal Republic of Yugoslavia has expressed on several occasions its readiness to normalize and promote the relations with the Republic of Albania and initiated meetings and talks between the respective government representatives on all bilateral issues, including the opening of new border crossings to facilitate communication, which was not accepted by the Albanian side. The Government of the Federal Republic of Yugoslavia will continue to pursue its present policy, adhering to the principles of good-neighbourliness and peace.

LETTER DATED 6 JANUARY 1994 FROM THE REPRESENTATIVES OF PORTUGAL, THE RUSSIAN FEDERATION AND THE UNITED STATES OF AMERICA TO THE UNITED NATIONS ADDRESSED TO THE PRESIDENT OF THE SECURITY COUNCIL

Upon instructions from our Governments, we have the honour to send to you the English and Portuguese texts of the Joint Statement made by the Observers of Portugal, the Russian Federation and the United States of America, to the Angolan Peace Process, on 27 December 1993, and to request that this be circulated as a document of the Security Council.

Joint statement by the observer countries to the Angola peace process (Portugal, the Russian Federation and the United States of America)

For six weeks, since 15 November, delegations of the Government of the Republic of Angola and of UNITA have been negotiating in Lusaka, Zambia, under the auspices of the Special Representative of the Secretary-General of the United Nations for Angola along with the participation of our representatives to the Angola peace process. Significant progress has been achieved and it is our consensus view that the remaining issues can be successfully resolved.

At this point, among other things because of the UNITA delegation's request, a brief pause in the negotiations in Lusaka until 5 January has been agreed upon. This will allow both delegations to return to Angola for consultations with their political leadership.

However, while the negotiations in Lusaka have progressed, the military situation in Angola has remained of great concern. Offensive military actions are continuing in several regions which place the Peace Process in peril and put vital humanitarian aid programmes in serious jeopardy, thereby increasing the suffering and death of thousands of Angolans. Under these circumstances there is more urgency than ever for both delegations to accelerate their efforts to reach an acceptable peace agreement in Lusaka.

It is in this spirit that our Governments support the Special Representative of the Secretary-General in agreeing to this short pause in these talks. We urge the Government and UNITA delegations to inform directly their leadership about the negative impact on the hopes for success in Lusaka of continuing military offensives.

We also stand solidly with the Special Representative and the United Nations Security Council in their demand that the Government of the Republic of Angola and UNITA exercise maximum restraint and stop immediately all military actions in order to prevent further suffering on the part of the civilian population of Angola and damage to Angola's economy. We call on them to return rapidly to Lusaka prepared to agree quickly on the issues remaining to achieve a peaceful settlement.

Let this Christmas season be the true beginning of the peace and national reconciliation that all Angolans desire.

SUMMARY STATEMENT BY THE SECRETARY-GENERAL ON MATTERS OF WHICH THE SECURITY COUNCIL IS SEIZED AND ON THE STAGE REACHED IN THEIR CONSIDERATION

1. Pursuant to rule 11 of the provisional rules of procedure of the Security Council, the Secretary-General wishes to submit hereunder the list of items of which the Security Council is currently seized, with references in parentheses to the previous summary statements that have been issued covering consideration of each item. 1/

2. It will be recalled that, in the interest of economy, the Secretary-General reproduces only once annually the full, up-to-date list of items of which the Security Council is seized. In fulfilment of his responsibility under rule 11, an addendum to the basic list is issued weekly, making reference to those items on which further action has been taken by the Council during the week covered or indicating that there has been no change during that period.

3. The last full summary statement (S/25070* 2/) was issued on 11 January 1993. The last weekly addendum (S/25070/Add.52) covered developments up to 1 January 1994.

4. In the course of 1993, the Security Council included the following item on the agenda of its 3245th meeting, held on 27 June 1993, and concluded its consideration of the item at the same meeting:

> United States notification of 26 June 1993 measures against Iraq (see S/25070/Add.26).

1/ In the following listing, the formula "See ..." indicates consideration of the item on another occasion; the formula "See also ..." refers to prior or subsequent consideration of a related item. The listing of the same document symbol under both formulas means that the item itself and the related item were considered in the course of the same week.

2/ Asterisk indicates document reissued for technical reasons in 1993. Reissuances prior to 1993 are not indicated, since the original versions are no longer available.

5. Also in the course of 1993, one item listed in the last full summary statement (S/25070*, item No. 174) was deleted from the list, pursuant to the request contained in a letter dated 15 September 1993 from the Permanent Representative of Venezuela to the United Nations. The Secretary-General, with the consent of the Security Council, therefore, removed the following item from the list of matters of which the Security Council is seized:

> Letter dated 2 April 1992 from the Permanent Representative of Venezuela to the United Nations addressed to the President of the Security Council (see S/23370/Add.13).

6. Also during this period, the Security Council, after the adoption of its agenda and before discussing the item formulated as "Letters dated 20 and 23 December 1991 from France, the United Kingdom of Great Britain and Northern Ireland and the United States of America", at its 3312th meeting, on 11 November 1993, decided, at the suggestion of the President, to have the former items under which this subject had been previously discussed (S/25070*, item Nos. 168 and 173) deleted from the list, since those items had been subsumed under new item. The deleted items are as follows:

- Letters dated 20 and 23 December 1991 (see S/23370/Add.3)

- (a) Letters dated 20 and 23 December 1991

  (b) Report by the Secretary-General pursuant to paragraph 4 of Security Council resolution 731 (1992)

  (c) Further report by the Secretary-General pursuant to paragraph 4 of Security Council resolution 731 (1992)

  (see S/23370/Add.13)

7. Also in the course of 1993, as part of the efforts to improve the documentation of the Security Council, the members of the Security Council reviewed the list of matters of which the Security Council is seized and the stage reached in their consideration (S/25070*, para. 6, and Add. 4, 7, 8, 10, 13, 17, 19, 23, 24, 26, 29, 32, 34, 39, 41 and 43). By a note dated 29 November 1993 (S/26812), the President of the Security Council communicated the decision of the Security Council to remove the following items from the above-mentioned list of matters of which the Security Council is seized (item numbers correspond to the listing in paragraph 6 of document S/25070*):

SUMMARY STATEMENT BY THE SECRETARY-GENERAL ON MATTERS OF WHICH THE SECURITY COUNCIL IS SEIZED AND ON THE STAGE REACHED IN THEIR CONSIDERATION

1. Pursuant to rule 11 of the provisional rules of procedure of the Security Council, the Secretary-General wishes to submit hereunder the list of items of which the Security Council is currently seized, with references in parentheses to the previous summary statements that have been issued covering consideration of each item. 1/

2. It will be recalled that, in the interest of economy, the Secretary-General reproduces only once annually the full, up-to-date list of items of which the Security Council is seized. In fulfilment of his responsibility under rule 11, an addendum to the basic list is issued weekly, making reference to those items on which further action has been taken by the Council during the week covered or indicating that there has been no change during that period.

3. The last full summary statement (S/25070* 2/) was issued on 11 January 1993. The last weekly addendum (S/25070/Add.52) covered developments up to 1 January 1994.

4. In the course of 1993, the Security Council included the following item on the agenda of its 3245th meeting, held on 27 June 1993, and concluded its consideration of the item at the same meeting:

---

* Reissued for technical reasons.

1/ In the following listing, the formula "See ..." indicates consideration of the item on another occasion; the formula "See also ..." refers to prior or subsequent consideration of a related item. The listing of the same document symbol under both formulas means that the item itself and the related item were considered in the course of the same week.

2/ Asterisk indicates document reissued for technical reasons in 1993. Reissuances prior to 1993 are not indicated, since the original versions are no longer available.

United States notification of 26 June 1993 measures against Iraq (see S/25070/Add.26).

5. Also in the course of 1993, one item listed in the last full summary statement (S/25070*, item No. 174) was deleted from the list, pursuant to the request contained in a letter dated 15 September 1993 from the Permanent Representative of Venezuela to the United Nations. The Secretary-General, with the consent of the Security Council, therefore, removed the following item from the list of matters of which the Security Council is seized:

> Letter dated 2 April 1992 from the Permanent Representative of Venezuela to the United Nations addressed to the President of the Security Council (see S/23370/Add.13).

6. Also during this period, the Security Council, after the adoption of its agenda and before discussing the item formulated as "Letters dated 20 and 23 December 1991 from France, the United Kingdom of Great Britain and Northern Ireland and the United States of America", at its 3312th meeting, on 11 November 1993, decided, at the suggestion of the President, to have the former items under which this subject had been previously discussed (S/25070*, item Nos. 168 and 173) deleted from the list, since those items had been subsumed under new item. The deleted items are as follows:

- Letters dated 20 and 23 December 1991 (see S/23370/Add.3)
- (a) Letters dated 20 and 23 December 1991

  (b) Report by the Secretary-General pursuant to paragraph 4 of Security Council resolution 731 (1992)

  (c) Further report by the Secretary-General pursuant to paragraph 4 of Security Council resolution 731 (1992)

  (see S/23370/Add.13)

By a note dated 29 November 1993 (S/26812), the President of the Security Council communicated the decision of the Security Council to remove the following items from the above-mentioned list of matters of which the Security Council is seized (item numbers correspond to the listing in paragraph 6 of document S/25070*):
